

RESOLUTION 2019 – 21

RESOLUTION REGARDING ADJUSTMENTS, WAIVERS, REDUCTIONS, ABATEMENTS

WHEREAS, the City Council of the City of DeFuniak Springs, Florida has routinely adopted resolutions setting forth fees and rates for Water and Wastewater service; and

WHEREAS, the City Council of the City of DeFuniak Springs desires to provide for authority for the City Manager to address waivers, reductions, abatements, and other customer related matters to amounts billed; and

WHEREAS, this resolution shall not, in any way, relate to impact fees, tap fees, connection fees, or any other system related fee or expense due beyond the monthly service charges billed to a customer; and

WHEREAS, the City Council intends this Resolution to supersede any provision of any previously adopted resolution(s) related to water, wastewater, or both water and wastewater service fees and rates that addresses the authority granted herein, and further intends for this Resolution to remain binding unless expressly repealed by the City Council by a resolution or ordinance specifically identifying this Resolution by number;

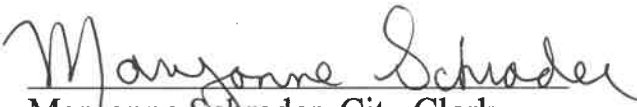

NOW THEREFORE BE IT RESOLVED that requests for adjustments, waivers, reductions, abatements, or other similar requests from customers of the City's water or wastewater systems shall be addressed by the City Manager, who shall, in consultation with the Mayor, have the authority, upon good cause shown, grant such relief in whole or in part, provided, however, that such decision shall be reduced to writing and signed by both the Mayor and the City Manager, and that all adjustments shall be subject to any limitations set forth through any policy(s) of the City.

ADOPTED this 14TH day of October 2019.

Robert Campbell, Mayor

ATTEST:

Maryanne Schrader, City Clerk
